Swimbridge Update

Dear Parents and Carers,

It has been a fabulous few weeks having all of the children back onsite and continuing their learning together in their classes once again. As staff, we are constantly impressed with Swimbridge pupil's resilience and adaptability which has enabled them to return, settle and re-connect with their learning successfully. The staff have worked hard to develop the school environment and welcome the children back with 'Blended Learning' displays, created from children's learning who were in school and those accessing their learning at home, this helped celebrate the efforts of all of our children during this time. Some of our 'Blended Learning' displays include:

Class teachers will be meeting with all parents for Parent Consultations at the start of the Summer Term, more information will follow after the Easter holidays.

Thank you to all our families and school community who joined with the Bag2school initiative which raised £78 towards the PTFA school improvements fund. The start of the Summer Term will see the launch of 'It's A Friday Thing', where the PTFA will be selling a special treat each Friday afternoon, please see the School website for further details. We would be grateful for volunteers to help support this event.

During this Easter holiday period, schools continue to play an important role in contact tracing for pupils and families who attend their school setting. We recognise the challenges of this responsibility during holidays, but this remains vitally important in the continued national effort to limit the spread of the virus. Please inform the admin@swimbridge-primary.devon.sch.uk if your child develops symptoms within 48 hours. Where pupils attending school test positive for coronavirus (COVID-19) during the holidays, having develop symptoms more than 48 hours since being in school please contact tracing instructions provided by NHS Test and Trace.

Despite not being able to meet at St James' church this Easter, the children have developed their understanding of Easter through the 'Churches Together' experience Easter virtual resources this year and created a class Easter message which will be posted on Class Dojo. During Easter, we would like to encourage the children to join together in community and take part in the schools Easter 'Walk-A-Thon' to raise money for improvement projects around the school. A sponsorship form will be sent home, with each child, to partake in the event. An Easter prize will be given to each child for entering and raising money. Enjoy being active this Easter, hopefully the sun will shine on us all!

We wish you all a peaceful and restful Easter break and will be ready to welcome you back on Monday 19th April.

Kind Regards,

Gemma Poland and Mat Harts

Our school vision is to embrace the spiritual, physical, intellectual, emotional and social development of all.
We strive for educational excellence by supporting and developing the following values:

Wisdom

Hope

Community

Dignity

Love
