Spring Topic: Prehistoric Britain – Stone Age
Week Beginning – 22.02.21

Class- Explorers

Weekly Maths Tasks

Main maths sessions:
 As always, videos and learning activities will be uploaded to support your maths learning this week.

Spring Term	Year 3 & Year 4
Monday	To be able to retrieve information about 'Time'
Tuesday	To be confident in identifying O'clock, half past, quarter past and quarter to and to be able to tell the time to the nearest 5 minutes.
Wednesday	To know how many hours there are in a day and understand the meaning of AM and PM
Thursday	Time Games: https://mathsframe.co.uk/en/resources/resource/116/telling-the-time https://mathsframe.co.uk/en/resources/resource/117/telling-the-time-in-words
Friday	To be able to differentiate between seconds/minutes/hours and to find the duration.

Mental Maths:

- Why not have a go at playing a game of Hit the Button. Lots of mental maths to practise following this [link](#).

- For times table practise follow this link:
<https://www.timestables.co.uk/>

Weekly Science Task

Rock Stars!

Use the information you have researched and learnt so far about rocks to create your own quiz about rocks. Make sure you include information on the 3 different types of rock: sedimentary, igneous and metamorphic, and how these are formed, as well as questions on fossils.

You can complete this using ICT, or on paper, it can be colourful, practical, you may even include physical examples of rocks/fossils if you have access to these. You may have 6 questions or 15 questions, which could be true or false, multiple choice, choosing the correct image of a rock, ticking the right answer. There are lots of different ways of forming your questions – just make sure you know the answers.

Be creative and have fun making your quiz!

Weekly English Tasks

Spellings: Look out for this week's activity to be uploaded.

Year 3 - Homophones and near homophones

Year 4 - Words with the /s/ sound spelt 'sc'

Reading:

- Read a book and record a comment in your reading record at least 3 x this week. Let us know what you are reading this week and a few sentences about the text so far.
- Look out for a Skara Brae 'Fill in the gaps' comprehension.

Writing: The next few weeks English will be building up to writing a holiday brochure for Skara Brae

Monday: To introduce features of a holiday brochure

Tuesday: To pair sentences with the associated features of a holiday brochure

Wednesday: To understand and be able to discuss the settlement of Skara Brae. *(This lesson is closely linked to Monday's Skara Brae History lesson.)*

Thursday: To understand and use the language features of persuasive brochures.

YOU WILL NEED A SELECTION OF PERSUASIVE LEAFLETS FOR THIS LESSON, which can be found at the supermarkets. If not, websites can also be used.

Friday: Complete one of the three chilli guided reading comprehension on The Stone Age.

Complete the spelling activity for this week.

Spotlight On...

History (To be uploaded on Monday) - To understand and be able to discuss the settlement of Skara Brae.

Music Follow the link to this [video](#). Exploring 2 beats in a bar. Share a photo or video of you joining in with the lesson or write down what you learnt and add it to your portfolio please.

PE –At school we are doing athletics, why not have a look at some of these [videos](#) and recreate them at home or in an open outdoor space. There are lots to choose from. Add a photo of you joining in with the ones you choose.

Devon Cricket Virtual Skills Challenge: Wall Catch, see this video and have a go at the challenge
<https://www.youtube.com/watch?v=djQacrTlojU> . Let us know how you get on.

Art (To be uploaded on Friday)- We'll be looking at Stone Age Symbols that have been found around Europe and creating our own 'pebble art' using these symbols! You will need a pebble or rock for this activity.

If anyone has any spare pebbles that they are able to drop into school for the children in school, please message Mrs Horsman or Mrs Brookes – thank you.
