

Home Learning Week Beginning – 22.02.21

KS2 - Inventors

Weekly Maths Tasks

Mental Maths:

Play [Guardians – Defenders of Mathematica](#) on the BBC site.

Each day we will upload a maths task onto class dojo. This week we are looking at the topic 'statistics'. Watch out for our teaching videos or for links to alternative videos. Please upload evidence of your learning each day.

Your daily maths lessons in school are an hour long; try to stick to this duration at home – it doesn't matter if you don't complete everything.

Spring 2:	
Monday 22nd	Multiplication Facts
Tuesday 23rd	Y5: Tables & Charts Y6: Pie Charts
Wednesday 24th	Y5: Tables & Charts Y6: Pie Charts
Thursday 25th	Line Graphs
Friday 26th	Problem solving task

Weekly English Tasks

Read your book and record a comment on your portfolio at least 3 x week.

SPAG skills- play the spelling and grammar games on the [Topmarks website](#)

Writing:

This week we are looking at the following texts: 'History in infographics – The Maya' and 'Rain Player'. These texts will inform our writing over the coming few weeks.

Spring 2:	Objective:
Monday 22nd	To research and write a set of instructions
Tuesday 23rd	To use the subjunctive mood to write an imaginary set of guidelines
Wednesday 24th	To identify root words and rules for suffixes that describe qualities
Thursday 25th	To describe the scene using dialogue to advance the action
Friday 26th	Spelling session- cial ending words

Science

Last week, after 7 months of travelling, Perseverance landed on Mars. Watch this [Newsround clip](#) and read the accompanying article.

Explore this [website](#) for all of the latest information from Perseverance.

Find out about the [other rovers who have been to Mars](#).

Make notes or draw a picture to describe what you have learnt about this incredible accomplishment; I wonder what Perseverance will find?

.....
If you have been enjoying these then don't forget the final session this week:

Friday 26th February- National Marine Aquarium, Plymouth- Live link session- Looking After The Ocean - session. (1pm-1.20pm)

Spotlight on:

This term we are learning about the Mayans and the landscape and culture of Central/South America.

PSHE- Final lesson in our 'Eating Well, Living Well' series- Lesson 6- ['Pearly Whites'](#).

Music – Lesson 5 in our 'Duration' series looking at exploring [Ostinatos](#) (a repeated phrase)

Computing- Final lesson in our 'Web Creation' unit- [Think before you link](#)

DT- Have a go at making and eating Mayan Corn Tortillas. See the PDF on class dojo for support.

History- Lesson 1- Who were the Maya?- Look out for the history video on Class Dojo to support your learning.

Art- To explore surrealism in art and Frida Kahlo's surrealist paintings. Can you create your own surrealist picture? Watch out for the teaching video for inspiration.

Remember to take time this week to be active, walking, cycling or playing outside!
