

PE and Sport Premium Funding Review for 2018 -19

The PE and Sport Premium Allocation for Swimbridge CE Primary School for 2018 – 19 was: £17,100 (Based on £16,000 + £10 per child @ 110 children)
The table below shows how we used the allocation, our objectives and the outcome that we achieved through its use:

Item	Objective	Cost	Outcome
To pay a specialist sports teacher/PE Coordinator to produce a rolling programme of PE and Games provision and after school and lunchtime sports clubs and to run the clubs and activities and staff aspects of the rolling programme.	To have a long term positive impact on the quality of PE teaching within school – to up-skill teachers through team teaching and observation, to enable long term improvements to PE teaching.	£6800	We were able to offer all children a Comprehensive, broad and balanced PE curriculum and inclusive, extra-curricular activities were provided for all children. Increased numbers of children achieved their learning milestones against our PE learning ladders and a number of children became more skilled in a wider range of sports.
Transport, staffing and administration for competitive fixtures and external sporting events. To include: <ul style="list-style-type: none"> • SM Football league • FA football league • West Buckland primary school's sports festival • Tarka Tennis competitions • Various SMCC sports festivals. 	Increased pupil participation in a wider range of competitive events. All KS1 and KS2 pupils will have the opportunity to represent the school within the academic year.	£3000	All children participated in at least 1 or 2 inter-school tournaments each, throughout the course of the year, with upper KS2 children attending a wide range of sporting events. Events and fixtures included: Glidden & Squire cross country league, Saunton Sands Primary School's Golf day, SM football tournament, Tarka Tennis days, interschool tag rugby, cricket, netball, volleyball, multi-skills, dance and athletics events at SMCC. All EYFS and KS1 children were able to attend an externally supported event for the first time. Increased numbers of children became more skilled in a wider range of sports.
Development of the EYFS outdoor learning areas with playground equipment for outdoor physical play	To increase the level of activity at playtimes by providing a wider choice of physical activities to encourage more active play.	£1500	EYFS and year 1 children are now more active during playtimes and in their learning and we were also able to secure lottery funding (£10,000) for the local community, and installed a high quality climbing frame and safety flooring in the EYFS playground.
Swimming A proportion of the hire of South Molton Swimming Pool and cost of specialist instructors.	To extend the opportunities to ensure that all KS2 children have high quality swimming lessons and year 6 children are meeting the national requirement to swim competently, confidently and proficiently over a distance of 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.	£700 + £600	All KS2 children had access to high quality swimming lessons. All year 6 children (100%) met the national requirement for swimming and self-rescue.

Hire of Barnstaple Leisure Centre's gymnasium and cost of transport.	To provide high quality gymnastics provision in a purpose-built gymnasium with apparatus and equipment.	£1500	All EYFS, KS1 & KS2 children had access to gymnastics apparatus and this has meant that higher numbers of children have met early learning goals in relation to their gross motor skills and physical development. We have not had to run Fun Fit as an intervention for the first year, due to improved curriculum provision curriculum-wide.
Hire of Tarka Tennis Centre and cost of transport	To provide high quality tennis provision in a purpose-built tennis centre with equipment.	£1500	All KS1 & 2 children learnt to play tennis on proper courts with the correct equipment. Following on from this, 8 KS2 children played in a tournament and came 2 nd out of 16 schools – an achievement we have never celebrated before.
A proportion of the hire of the Jubilee Hall and costs associated with extra staffing required to utilise the hall.	To provide indoor PE space to increase provision for dance and gymnastics for all children.	£1000	All children have enjoyed an increased number of practical PE sessions regardless of the weather and the overall stamina and fitness of children will have been improved as a result of this increased participation.
A proportion of the rent for the school field and costs associated with extra staffing required to utilise the field.	To ensure that children have access to the field throughout the year (weather permitting) for after school clubs and Games lessons.	£1200	All children have enjoyed access to high quality PE sessions on the field and the use of the field has meant we have been able to run extra-curricular opportunities, including before school running club and SM football league matches.
Staff CPD	To have a long term positive impact on the quality of PE teaching within school – to up-skill teachers through appropriate training.	£500	Teachers are now more confident and skilled at delivering a high quality PE curriculum. Increased numbers of children are now achieving learning milestones and they are becoming more skilled in a much wider range of sports.
A proportion of the Thrive licence and staffing costs associated with running the Thrive programme in school to support children's mental health and wellbeing.	To have a long term positive impact on the emotional health of all pupils.	1500	More children have access to Thrive support (35 with action plans) and the mental health of all children has been nurtured through the increased quality and universal provision throughout the school.
