4th January 2020

Dear parents and carers,

Following the announcement this evening regarding the country moving into a further lockdown and all primary schools being closed from tomorrow for all children except those identified as vulnerable and the children of key workers, I am writing to let you know that at Swimbridge we will return to the arrangements we had in place during the previous lockdown.

If your child/children had places allocated previously we will be pleased to see them in school tomorrow. If your child is in Reception and you believe they may be eligible or you believe your circumstances have changed and your child/children now fall into this category, please contact the school via email on: [admin@swimbridge-primary.devon.sch.uk](mailto:admin@swimbridge-primary.devon.sch.uk) during the day tomorrow and we will process the information in order to make arrangements for them. We will review the criteria and finalise ongoing eligibility prior to the end of the week.

Pupils of key workers and vulnerable children attending school will not be required to wear school uniform. School meals can be ordered as usual. Cool Kids breakfast and afterschool club will not run this week but we will review this and see what we can do to put arrangements in place over the coming weeks.

Arrangements for online learning will be put in place as soon as possible and we will update you with arrangements for pupils who will be remaining at home before the end of the day tomorrow.

Apologies for the late notice of this is change of direction, which has been beyond our control.

Thank you once again for your ongoing support.

Yours faithfully,

Angela Fleming

Executive Headteacher
