Tuesday 24th March 2020

Dear children,

I hope this letter finds you well and that you are making the best of being at home at this time.

There's no doubt that you will be missing your friends, and I know that your teachers are thinking of you lots and missing seeing your wonderful faces each day - as am I.

Our government has taken the decision to close our schools to the majority of children and advise people to stay at home, so that we can all stay as safe as possible. It is going to be very different for a while and you may be feeling a bit worried about all the changes that are happening, but we are still here to support you and will stay in touch. Things will get better, but it will just take a bit of time and patience so please talk to those around you and they will help you to understand and cope with things.

Getting used to being taught by your parents or others who care for you might be challenging and there may be times when you disagree, but please remember that your parents love you and are trying their best to do what's right for you. There may be a few tears along the way, but I am quite sure there'll be lots and lots of laughter too!

Your teachers and TA's send their love and best wishes to you all - We'll get through this; try not to worry too much - we're all in this together.

Keep safe and love one another.

Mrs Tibbles

Our school vision is to embrace the spiritual, physical, intellectual, emotional and social development of all.

We strive for educational excellence by supporting and developing the following values:

Wisdom

Hope

Community

Dignity

Love
