Fri:

This week, alongside their curriculum based learning, our children have certainly been experiencing 'life in all its fullness'. On Monday, our Adventurers went to SMCC for a multi-skills festival; yesterday, our year 6 children took part in a valuable life skills afternoon at Barnstaple Rugby Club; and today we enjoyed a visit from the children at Swimbridge Pre-School and our year 5 and 6's have been taking part in a range of activities at Croyde's 'Oceanfest'.

We are delighted to announce that we now have a stock of school jumpers, cardigans, PE polo shirts and hoodies in the school office. From next week you will therefore be able to purchase our grey school logoed jumpers and cardigans, as well as the new royal blue logoed PE hoodies and polo shirts. Please note that the new PE kit, although on sale from next week, is only to be worn from September. You are also able to shop online or in store at Daw & Co, Cross Street, Barnstaple (<https://www.samdaw.co.uk>) and if you are interested in getting 10% off, they are running a summer promotion so please pop into the school office for the 'promo-code'.

Sadly, once again we have numerous Parent Pay accounts in arrears - amounting to well over £2000! A number of accounts often accrue debts of over £150. Please can you all ensure your accounts are cleared wherever possible over the weekend and see Mrs Tibbles if you need help or support in any way. We are very reluctant to stop children attending Cool Kids Club or having school dinners, however we are simply unable to cope with the level of debt that keeps occurring. Thank you all for your help with this matter.

Our extremely popular Cool Kids Club is once again running a summer holiday club during the month of August. If you are interested in making a booking, please pop into the office to collect an application form. Please also don't forget that if your child would like to attend the Film Club on Fri 22nd June, to watch The Emoji Movie, you need to book them in at the office. As always on film club night, there will be refreshments and a raffle, with the film finishing at about 5.15pm.

If there are any parents or grandparents out there who would like to become volunteer helpers within our school, then we would love to hear from you. We are looking for volunteers to help with reading and/or art and display throughout the school, so please do pop to the office to find out more. An enhanced DBS clearance will be needed.

Some of our learning this week:

Adventurers have started writing their non-fiction *Under the Sea* books and have worked on sharing between two groups.

Discoverers have started their garden collages as a group, using lots of different materials for texture and effect.

Explorers have been decorating their headdresses with feathers, pom-poms and sequins, and have looked at different features of newspaper articles to then write their own reports about the disappearance of Percy Fawcett.

Inventors have consolidated their angle and shape work, and have made some Kandinsky inspired geometric card designs for Fathers Day. Casting is now complete for the Jungle Book, with production team preparations well under way.

Congratulations to:
